

China Legal Access (CLASS)

Complied by a team of legal professions and lawyers, China Legal Access (CLASS) offers an authoritative and professional access to Chinese legal research. CLASS holds 282,246 records, including a selection of 67,128 English full-text/bibliographic ones, as of June 2010. It provides information on China's commercial, civil, and administrative laws. With a substantial portion of English contents, CLASS is becoming a convenient bilingual tool for legal researchers, lawyers, law librarians and the business communities alike.
